DW- Thx for the feedback.... I probably will not go next week, but I've asked them to get a simultaneous GPS reading & photo of where they sample.

Hi Juliet – thx for the note. I am okay with your approach outlined in the email. If you want to go watch that's fine, but I generally trust their work to grab the sample at the spot they indicated.

Hi Peter,  
July 28<sup>th</sup> for the additional riprap smpling?... or did you mean June 28<sup>th</sup>? Just checking.  
I don't recognize Anna Behrens name..... Is she a Terraphase employee?  
Thanks,  
Juliet

**Subject:** RE: Submittal: Draft Sediment Investigation Report

Juliet,  
We have scheduled the additional riprap sampling for July 28<sup>th</sup>. Anna Behrens will be coordinating the work.  
Peter

Hi Juliet,

Sorry about the delay in getting back to you. We are still discussing our approach with the client. I will let you know as soon as we get our ducks in a row.

Peter
